THE COMMERCIAL PLAN

The large number of business and professional men who have taken out policies on the Company's Commercial Plan, shows that the demand for reliable life insurance, relived of much of the investment element which constitutes the overpayments of the ordinary plans, is not confined to men of small incomes, but exists amongst all classes of our people.

FOR 1889.

VOL. IV.

—:o:—

ISSUED BIENNIALLY BY THE

PUBLISHING CO., OF INGERSOLL

PREFACE.

The Publishers in presenting the fourth edition of their B
Farmers' Directory of the counties of Durham, Muskoka, Onta
and Victoria, have endeavored to merit the approval of the
presenting a work that will be found the most complete of th
published in the district. It will be found to contain more i
of a nature valuable to business men of all branches than
publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farme
or tenant of a lot outside the limits of each city, town, or v
post-office, lot and concession, a complete list of towns, with t
people alphabetically arranged, also a separate list of busi
classified with reference to their business. The whole combi
one of the most complete directories ever published.

A work of this kind involves a great amount of expens
and the publishers have spared neither, but have made ev
make a reliable work worthy of the confidence of business pe

Thanking those who have kindly given us informati
usiness people and the public generally who have given th
upport we remain,

Respectfully yours,

ADVERTISERS

WILL FIND IT PAY THEM TO TEST THE MERITS OF THE PAPERS ISSUED BY THE TIMES PUBLISHING COMPANY.

BECAUSE experience has proved that they give the BEST RESULTS for the money invested.

"THE DAILY TIMES," is an intrepid, independent upholder of the public rights. The great daily news disseminator: stands by the people; has no political backing, —and requires none. Gives its readers full and concise reports of the entire doings of the civilized world, and your own town in particular.

"THE DAILY TIMES" circulates widely in Orillia, Barrie, Lindsay, Beaverton, Midland, Penetanguishene, Waubaushene, Gravenhurst, Bracebridge, Huntsville, North Bay, Sudbury, and twenty-five other Agricultural, Lumbering and Mining centres in Northern Ontario.

"THE WEEKLY TIMES," the pioneer paper of this section, Started by the present Manager, MR. P. MURRAY, in 1867, as the "SIMCOE EXPOSITOR;" amalgamated with "THE TIMES," in 1876; still holds the leading place, and is incontestably "the paper of the masses."

"THE TRIBUNE AND INVESTIGATOR," is published in the Village of Coldwater; circulates among a wealthy lumbering and agricultural population, and will be found an excellent advertising medium.

"THE GOSPEL LIGHT," an independent Religious semi-monthly. 60c. per annum. Agents wanted.

STRAWBERRY ISLAND.

THIS now popular Summer Resort is situated at the Northern end of Lake Simcoe, and is without doubt the most salubrious spot in the Province. Always cool, even in the hottest days of summer ; remote, yet within easy distance of the world of business and society ; in the midst of the finest scenery, and replete with all home comforts, STRAWBERRY ISLAND offers unequalled attractions to the tourist or health-seeker.

The accommodation is excellent. A new and commodious Hotel is situated on the Island, and numerous cottages have recently been erected. The Fishing Grounds near the Island are unsurpassed, and boats for use of rowing and fishing parties are to be obtained. The Steamer ORILLIA makes daily trips to Orillia and Barrie. The Island furnishes abundant room for Camping, and meals for those who prefer to "dwell in tents" may be had at the Island House. Terms as follows:—$1.50 to $2.00 per day ; $8.00 to $10.00 per week. Children 25 per cent. less. Parties of 6 or 8 occupying Cottages and boarding at Hotel, $7.00 per week. Every effort that can be made to advance the comfort of visitors is being put forth by the Proprietor, who will be pleased to correspond with any desiring to spend the summer months at STRAWBERRY ISLAND, and furnish furthur particulars.

THE PORT HOPE TIMES

Has the LARGEST CIRCULATION of any paper published in the United Counties, and is admitted to be Unrivalled as an Advertising Medium. Prices nearly as low as other journals possessing less than half the circulation. Special efforts have been made, at great expense, to work up a large Local Circulation for THE TIMES, and the fact that it can be found in the majority of the houses in the East Riding of Durham, and has no rival of equal influence in the Township of Clarke in the West Riding, attests the esteem in which it is held. THE TIMES is therefore the most economical medium through which Merchants and others can make their announcements to the people of the Town of Port Hope and neighboring Townships. Subscription, $1.00 per annum.

THE DAILY TIMES,

which has been accorded a much better support than was at first anticipated, is also recommended as an excellent Advertising Medium through which to reach the people of the town. The Advertising Rates have been placed at the lowest possible figure. Business men who have not yet given it a trial are respectfully solicited to do so, and we are confident they will be pleased with the result.

The Mowat Manufacturing Co.,

(LIMITED)

WHITBY, ONT.,

In calling the attention of the farmers of this Dominion to their new

"CENTRE CUT STEEL MOWING MACHINE,"

they do so feeling that they are **introducing a new era in GRASS CUTTING MACHINERY,** and verifying the proverb that "old things are passing away," etc. The power of mind over matter has never been more exemplified than in this case. A Grass Cutter, having apparently unlimited strength, weighing only 500 lbs., and having driving power sufficient to drive a six-foot knife, running on balls in such a manner as to remove as nearly as possible all friction, making it possible for a light team to cut a swath six feet wide, and one horse to cut a swath four feet wide, with ease, is certainly a revelation to many farmers. Yet such is the fact.

Catalogues and prices can be obtained from the Company, or of their agents throughout the country.

Expressions from some of the prominent Farmers that have used them :

Professor Brown, Agricultural College, Guelph, says :—"I consider the mechanical arrangement the most simple and truest in principle of any Mower I have seen."

John McMillan, M. P. P., Seaforth, says :—"I think the Mower is just what the farmers want—simple in construction and easy to work."

John Leys, M. P. P., Pickering :—"It is the acme of perfection."

Charles Lawrence, President West Simcoe Farmers' Institute, says:—"I believe it the simplest and most perfect Mower yet brought out."

Alexander Barry, Galt, says :—"For efficiency of work, simplicity of construction, and lightness of draught, I consider it second to none."

John Dix & Son, Elm Grove Farm, Little Britain :—"Best Mower we have ever seen working. After cutting 100 acres it seems very little worse of wear. Used only one knife cutting on all kinds of land."
